

Allergens Policy

At Fenix, we take the health and wellbeing of our guests seriously, and we are committed to providing a safe and enjoyable dining experience for everyone. We kindly request that you notify us of any guests with dietary requirements or allergies when making your reservation or when you arrive at the restaurant.

Detailed information on the 14 legal allergens is available on request, and our team will do their best to accommodate your needs. However, we do not record information on any other allergens and cannot guarantee that our dishes are 100% free from traces of allergens.

Please note that our team cannot make suggestions on your order prior to joining us, and our allergen matrix cannot be shared digitally in the case of new updates and ingredients alongside our seasonal menu.

We apologise for any inconvenience this may cause and encourage you to speak with your server if you have any concerns or questions about our menu.

We thank you for your cooperation and understanding, and we look forward to serving you at Fenix.
