

FENIX

## Dress Code Policy

At Fenix we strive to create a welcoming and comfortable environment for all our guests. We kindly request that you adhere to our smart casual dress code when dining with us. This means no shorts, sportswear, beachwear or fancy dress.

While we encourage our guests to dress nicely, we understand that fashion preferences may vary. All final decisions regarding dress code are to be made on the day at the manager's discretion. We appreciate your understanding and cooperation in helping us maintain a pleasant atmosphere for everyone.

Thank you for considering our dress code policy, and we look forward to welcoming you to Fenix for a memorable dining experience.
