

Photography Policy

At Fenix, we strive to create a memorable and enjoyable experience for all our guests. In order to maintain a safe and welcoming environment, we have established the following photography policy:

- No outside photography equipment, lighting or cameras are permitted within the premises. This includes but is not limited to professional cameras, DSLRs, tripods, and selfie sticks.
- Blocking doors, fire exits, pathways, or any other designated areas is strictly prohibited. Guests are required to keep these areas clear at all times to ensure the safety of everyone on the premises and access for guests
- The use of excessive flash photography is not permitted. We reserve the right to intervene and request that guests refrain from using flash photography if it disrupts the experience of others.
- Any photography taken within Fenix is subject to the discretion of the manager on duty. This includes but is not limited to photographs of performances, exhibits, or other activities hosted at our venue.
- We encourage all guests to live in the moment and fully enjoy their experience at Fenix. By refraining from excessive photography, guests can immerse themselves in the full Fenix dining experience.

Thank you for your cooperation in adhering to our photography policy. We appreciate your support in creating a safe and enjoyable environment for all our guests.
