

FΞNIX

WELCOME TO

FΞNIX

Earth, Air, Water & Fire — four distinct elements defining the four core tastes on our cocktail menu. Each drink has been meticulously designed, masterfully crafted, and inspired by ancient Greek mythology. Just like the pantheons, these glasses are filled with heroes, heroines, Gods and Goddesses.

AETHER

Aether, known as the 5th element, is a power beyond fire, air, water, and earth. In later Greek philosophy Aristotle believed Aether was introduced as another element, distinct from the terrestrial four, and was thought to compose celestial bodies and the substance of the stars. This collection of alcohol-free cocktails embodies purity, divinity, and an ethereal essence.

FIRE

Fire represents strength, courage, wisdom and the beginning of new life. The phoenix nest is made of flames and embers, and as this rare bird rises from the ashes it is reborn. In tribute, our mixologists have developed a selection of drinks governed by the smoky flavours of the charcoal grill.

EARTH

While we often believe Gods exist in their own realm, Greek mythology puts many deities much closer to home, at the summit of Mount Olympus. We celebrate the bounty of our shared home by using some of Earth's most exquisite produce to make drinks fit for the ancient Theos.

MOONLIGHT MULE

**Ocho Blanco tequila, sweet raspberry, cinnamon and London Essence
ginger ale**

14.00

Selene was the daughter of Helios, and Goddess of the moon. Crossing the sky each night on a silver chariot driven by her favourite horses, she offers us protection after dark. This is reflected in our combination of warm and light flavours as refreshing berries are mixed with deeper spices.

Water is omnipresent in Greek culture. Stories of great maritime adventures and the epic voyages of heroes across ancient seas dominate this history, and Homer's legendary poem, *Odyssey*, is the most famous. We make an offering to the ultimate ocean-faring tale with our own timeless masterpieces.

SIREN'S CALL

Grey Goose Vodka, blood orange, strawberry and toasted coral

WHIRLPOOL FIZZ

**Grey Goose Peach & Rosemary, Chartreuse, Citric Burst
and London Essence Lemonade**

When Homer speaks of being “between Scylla and Charybdis” he is talking about tough decision making and a choice between the devil and the deep blue sea which ultimately ends in disaster. Our take on this is awash with fruit flavours, from the juniper of refined gin to tart cider apples.

THE ODYSSEY

Otto's Athens vermouth, Kings Hill gin, thyme, Syrah
